## **All good things come in threes**

### **Online auction every second Thursday**

**Verden. For the third time, the Verden Foal Spring opens its virtual doors. On Thursday, May 25, 17 hopeful dressage and twelve jumping stars will be auctioned off at the final bid up from 7 pm CET. Bids can already be placed on the internet.**

The collection contains a mixture of highly interesting colts and fillies. The privately owned sire Fynch Hatton is sending two talented colts to the Verden Foal Spring. In addition to young stallions, there are also proven sires in the pedigrees such as Cornet Obolensky or Diacontinus. The foals have one thing in common: They present the best Hannoveraner dam lines combined with modern genetics.

The Verden Foal Spring offers two more online auctions. The collections are highly interesting and carefully selected. Last year, about 150 foals found a new home on this occasion not only in Germany but worldwide. The next opportunities to purchase an excellent Hannoveraner foal directly at the source in Verden will be on June 8 and June 22.
