Half time of the Verden foal spring Third online auction

Verden. Half time of the Verden Foal Spring: At the third online auction the colt Follow me achieved the top price of 19,000 Euros. On average, 7,440 Euros had to be paid for the quality representatives of the year 2023.

The first foal was the most sought-after: Eight bidders placed 27 bids for the Fynch Hatton/Sezuan son Follow me (breeder and exhibitor: Willem Klausing GbR, Diepholz). The last bid came from a new customer from the Rhineland. The virtual knockdown for the bay colt, whose dam is the full sister of the Weltmeyer-Prize winner and Bundeschampion So Unique, was made at 19,000 Euros.

A foal with excellent jumping genes joined the statistics in second place: Cornet's All Star by Cornet Obolensky/Spartacus (breeder and exhibitor: Jörg Brede, Gudensberg) changed to Hungarian ownership for 13,500 Euros. His dam was also part of the lot of a foal auction in Verden in 2014 and goes back to Hartwig Steenken's highly successful mare Fairness Z.

The Verden Foal Spring offers two more online auctions. The collections are highly interesting and carefully selected. The next opportunities to purchase a Hanoverian foal directly at the source in Verden will be on June 8 and June 22.
